Our Contract

I, _____ commit to membership in the Deep Root Gardens CSA for the 2018 season. I understand that in order for this community to be successful, I must make a commitment to the community. As a member, I commit myself to supporting the farm by making my payments on time. I also commit to pick up my share each week at the designated pick-up location and provide my own reusable bag or box. I understand that if I do not pick up my share, it will be donated. I understand that my share will not be saved if I do not pick it up on the designated pick-up day. As a member of the CSA, I understand that I will receive a weekly share for 16 weeks from June 6th through September 26th, excluding the week of August 1st, when there will be no share. The share will vary in size and weight depending on the time of the season. I understand that the variety of vegetables I receive is dependent on growing conditions that vary from season to season and that the risk and benefits of the harvest are shared. I understand that I am choosing to be involved in a bio-system that is dependent on weather and other environmental factors and as such there is risk of crop failure. Should this happen, I understand that there will be no refunds and/or the share size could be impacted. In choosing to become a member of this CSA, I am supporting local farmers as well as a healthier lifestyle for myself and for society.

Thank you so much for joining our community! We look forward to sharing the 2018 season with you!
